Hi

We are reaching out on behalf of the Girls Flag Football team at Aliso Niguel High School as we prepare to begin our fourth season. Our program has grown tremendously, and we are looking for community support to help cover the costs of running the team.

Because we are part of a public school and Girls Flag Football is still a relatively new sport, our program receives very limited funding. Aside from a small stipend for the Head Coach, the program is supported through sponsorships, fundraising, donations, and family contributions.

This support helps pay for equipment, training resources, safety gear, and coaching support — all of which make a meaningful difference for our athletes and help give players the opportunity to be part of a strong and growing program.

Girls flag football is growing quickly, and it is an exciting time to be part of the sport. Our team has made it to the CIF playoffs three years in a row, and we are working hard to continue building the program for current and future players.

If your organization would be willing to support our team through a donation or sponsorship, it would be greatly appreciated and would make a meaningful impact on our program.

Thank you so much for your consideration.

With sincere appreciation,

ANHS Girls Flag Football Team Member

Thank you for considering one of our sponsorship packages below. Any questions, please email us at ANHSFlagFootball@gmail.com
